

## Successful Learning Collaborations: Integrating with the LifeSkillPrograms.com Online Learning System

**BUSINESS OBJECTIVES:** LifeSkillsPrograms.com, by the Pikes Peak Learning Company, offers an extensive series of online, interactive, and proven life skill learning and real-world readiness programs. We are seeking new educational partners to help them and us expand our reach, enhance our offerings, and grow our joint income through new program distribution agreements.

### BENEFITS FOR PARTNER PROVIDERS:

1. Youth development: Provide youth with purpose, skills and support to prepare for the real world.
2. Capabilities: Expand your curriculum and programs to include 300 hours of proven life-readiness.
3. Reach and contribution: Attract more clients, users, parents, schools, and partner organizations.
4. Income: Increase the breadth of fees or registrations, and the depth and monetary size of each.

**HOW IT WORKS:** The LifeSkillPrograms.com learning platform integrates easily with your existing LMS, blended learning environment, on-site technology, and student devices. Students and staff can launch all programs and modules from any device connected to the Internet, on-site, at school, at home, or mobile. We work with each organization to ensure compatibility, ease of use, security, staff access, and the best learning outcomes. We've been integrating successfully with partner systems nationwide, since 2003.

**NEXT STEPS:** Contact Bob Berry, toll free 866.471.4285, to arrange a guided tour of the Learning Systems, set up in-depth samples of all programs, and discuss potential distribution sharing.

### The LifeSkillPrograms Learning System will guide your students, middle school through college, to:

- Logon to their personal online Learning Account, interact with Course Modules, and save their results.
- Proceed step-by-step through a series of Activities, Lessons, online resources, and interactive tools.
- Discover new insights about themselves, the real world, finances, jobs, goals, education, career, and more.
- Complete a detailed plan for their future that gives them vision and goals to commit to and strive toward.
- Provide reports for teachers, staff, and parents on their progress, outcomes, and their personal discoveries.
- Send them into the world with their own personalized account, tools, resources, and plans that never expire.

## ABOUT US and WHAT WE PROPOSE:

Pikes Peak Learning and LifeSkillPrograms.com has provided motivational, interactive life success learning systems, programs, and innovative youth development instruments for colleges, schools, parents, courts, after-school, and camps since 1987. Our greatest service to youth and our best financial results come from leveraging and sharing five key operational components with organizations LIKE YOURS: program content, established user audiences, innovative technology, development capacities, and promotional reach. **We've contacted you to propose ways to work together to improve how we collectively serve the youth in this country, and to expand the reach, capabilities, and financial results for our respective operations. For those five dimensions of success, here's what we bring:**
