STUDENT ASSIGNMENT HANDOUT

TEACHERS – About this Handout: print and use this form to assign the GetREAL Life Success Learning Systems to your students. Students or their parents pay \$77 for access to the nine in-depth programs, 140 learning modules, and 180 hours of instruction on how to succeed in the real world. For details and ordering, visit:

<http://LifeSkillPrograms.com/students/>

Instructions for teachers and staff: Print as many of this Handout as you need. You can assign students (and parents) to order their GetREAL password by filling out the form below and giving them this Handout. Instruct your students which programs they should work on by visiting the web address below to learn about the GetREAL Learning System – from that address, you can download detailed program information. For help: email us at admin@lifeskillprograms.com.

STUDENT (and PARENTS): Your teacher has requested that you purchase an online user account for the Life Skill Programs GetREAL Learning System. You need to buy a password online with a credit or debit card for \$77. Then, you'll login and do your course work at <http://LifeSkillPrograms.com/login/>. To order, to explore full details on the GetREAL Learning System and all the programs, and learn how this works, visit: <http://LifeSkillPrograms.com/students/>

Student/Parents -- How To Sign Up, Pay, and Login:

1. Go to <http://LifeSkillPrograms.com/students/>
2. Explore and read any of the program details, as needed.
3. Click the 'Sign Up Now' button. The cost is \$77. Complete your order with a credit or debit card. You'll receive your password immediately by email.
4. Your teacher will instruct you which of the nine programs to work on.
5. Login at <http://LifeSkillPrograms.com/login/> and do your course work.
6. For help, email us at admin@lifeskillprograms.com.
