### **What happened and whom did it hurt?**

Get clear on the criminal choices you made and the impact you had on others. Be honest and provide ALL the relevant information below.

**Describe the criminal or illegal activities that got you in trouble:**

**What are (or were) the consequences you face because of these choices?**

**Who were the victims of these crimes?**

**Who else did this impact? Name EVERYONE that got involved: parents, friends, family, police officers, teachers, school officials, judges, probation officers, lawyers, court clerks, counselors -- name them ALL.**

**Other than the direct victim and you, who was affected most by your choices and how? Be specific: name them, how they felt, what they had to do, their reactions, etc.**

**Put yourself in the role of the victim AND others most effected. Consider for a few minutes if this happened to you. How would you feel? How would you react?**
