PEAK READINESS ACTIVITY 2b: Create Your Budget for your Living Room

Since you're moving into an unfurnished apartment, you will have to buy furniture and supplies for the kitchen, living room, bedroom and bathroom. If you're getting things from parents, family, or friends, don't include them here. Only buy what you need, and don't go overboard with your spending. Decide the things you would like to have in your LIVING ROOM below. Calculate the total when you're done.

Go Find It → **In the Online Course**, you'll find links to online resources for finding furnishings for your apartment. You may also use your local newspaper or go to the mall or other stores for this research.
