PEAK SERVICE: Online Community Service Course

ABOUT THIS HANDOUT: Use this handout to assign the free, online, interactive "Peak Service" course, on community service and youth service learning. Peak Service is always free, accessible from any Internet computer, and designed to enhance any community service assignment.

TO THE STUDENT: You have been instructed (or you have elected) to do Community Service. As part of that, you will complete a short online course about your Community Service. The course is free, and will take about 5 hours to complete. You can do it all once, or a little at a time.

To get your free password:

1. Go to <http://lifeskillprograms.com/get-peak-service/>
2. Fill out the simple form and click Submit.
3. You'll immediately get your password by email.
4. Login with the password, and follow the instructions.
5. When you're done, print the Certificate of Completion and turn it in.

Here's a summary of the modules you'll complete online:

What Community Service did I do, and why, when, and where?

Document all the key details of my Community Service assignment or sentence

What is Community Service?

Why do so many people volunteer and want to "give back"?

Community Service Self-Assessment

Discover what type of service suites you best

Optional: Interview a service worker or volunteer

Talk with someone personally about the ways they help others

Community Service: Why Does This Matter in MY Life?

Consider and answer "what's the point of this?"

When you're done, you'll print a "Certificate of Completion" to turn in to demonstrate that you've completed the Course.
