

LifeSkillPrograms.com Login and Get Started

Here's how to log in and use your LifeSkillPrograms.com User Account.

Every work session, when you start working, you must log in again to tell the system who you are.

To log in and get started at <http://LifeSkillPrograms.com>, you need the password emailed to you when you ordered. The password is case sensitive, so enter it exactly as shown in the email, using upper and lower case letters. Write your password below so you have it.

The LifeSkillPrograms.com Learning System will guide you to:

- Logon to your own online Learning Account, interact with Course Modules, and save your answers.
- Proceed step-by-step through Activities, Lessons, course materials, online resources, and interactive tools.
- Discover new insights about yourself, the real world, finances, jobs, goals, education, and much more.
- Complete a detailed plan for your future that gives you goals to commit to and strive toward.
- Provide reports for adults and sponsors on your progress, outcomes, and your personal discoveries.

All Courses include detailed, step-by-step instructions integrated into each Module.

Write your password here: _____

Find your password in the email you received when you ordered.
